merly superintendent of the San Fran cisco Olympic club, appears destined to reopen the discussion concerning the effects of muscular training upon vital- thirty-nine," and out he marched. coolie lead! Let us peer into the charmed ity. In order to reach any intelligent conclusions, however, it is necessary to they suck poetry and poison from their state the case correctly in the beginning. The facts are briefly these: Several years ago Mr. Bennett found himself had been broken the Sunday evening affected with symptoms of pulmonary disease. At that time he had never Susan, that this chair was constructed practiced gymnastics, and was slender with a view to the accommodation of one and weakly. Acting upon the advice of person at a time, and has not the strength friends, he joined the Olympic club, and scarcely the capacity for two." and went into something like regular training. In a few months all his alarming symptoms had disappeared, and under the new regime he rapidly developed great muscular power. He became eventually a remarkable athlete and in Texas the past month; active gymnast. His strength was 10 great that he could put up a 250 pound dumb-bell with one hand, and 150 with the other. He was an expert boxer, and a daring acrobat. On one occasion when the Olympic club gave an exhibition at the old Metropolitan theater, a member named Ward, a very daring boro. gymnast and a well-known composito: was performing what is called the Nis- Fork. gara leap, and fell from the trapez, some twenty-five or thirty seet above Brown, McCord, Carpenter (Ia.), Ryan, the stage. Bennett was standing di-Valentine, Keichum, Miller, Plumb, rectly underneath, and as the falling Bingham, Yocum, Dick, Bouch, Davis, man approached he clasped him in his Marshall.
